Exciting gifts for all the family

As well as seeds, our shop sells a unique range of handmade crafts, created right here for you.

From beautiful greetings cards, super scented candles and local preserves to habitat boxes and compost bins - come and have a browse!

Christmas is a must!

Horticap should be your first stop for the festive season.

Christmas trees, wreaths, gifts and decorations.

And Santa's hut is irresistible for children!

Go take a peek...

Horticap is a charity, based in our own plant nursery. Our students, all adults with learning disabilities, come here to train in horticulture and gain all sorts of life skills.

We are passionate about our environment, and use green technology throughout the nursery.

horticap growing together

Vibrant plant nursery

Potter around our colourful nursery where you can pick up quality perennials, shrubs and bedding plants. Perhaps our ever popular hanging baskets or planted containers take your fancy?

We've got everything for the budding gardener - and the expert.

Beautiful Gardens

With nearly an acre to explore, all the family will have great fun in our country garden and wildlife area.

Take in the birds secretly from our wonderful bird hide and watch butterflies enjoying the beautiful borders. Follow the nature trail, see the different habitats around the pond and don't miss the magical dingly dell! It's perfect for the little ones.

Come and take a look...

We're confident you'll enjoy the Horticap experience.

You can satisfy all your gardening needs, go shopping, relax with a cup of tea or coffee AND find a secret garden for you and your family to explore all at the same time.
